TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/s. Bombay Intelligence Security (I) Ltd was providing security to our complex between 1996 and 1999 till induction of CISF and now they are providing security to the townships and pipeline of IPCL-Bharuch since 1999. At present they are deploying one Chief Security Officer, eleven Assistant Security Officers, twenty one Security Guards(ex-servicemen), eighteen Gunmen and one Jeep. We have found them professional in the field of Intelligence security. We are quite satisfied with their services and can recommend them for Industrial Security Services.

The conduct and discipline of the managerial staff of BIS(I) Ltd. is also of very high order.
